The USJJO does not have a mandatory hotel for the 2016 Fight Week. Three suggestions we make are:

Harrahs: <https://www.caesars.com/harrahs-las-vegas>

Linq: <https://www.caesars.com/linq>

Bally's: <https://www.caesars.com/ballys-las-vegas>

*The mentioned hotels are a ten-minute taxi ride from McCarran International Airport and very close to the Monorail, which is taken to the Convention Center.*

**The UFC International Fight Week is a very popular week in Las Vegas, so please make your reservations as soon as possible in order to obtain the best rates.**
